Meet our Staff

Linda Yeo joined M. I. Lewis on November 27, 2007 as a caseworker. In 1992, she and her family moved to Houston. She and her husband Greg (who works for Exxon Mobil) have two daughters, the oldest daughter is married and lives in San Antonio and the youngest daughter lives in California. Linda has worked in the non-profit field for 15 years as a client services director and an assistant in children's ministries at her church, where she received training as a Stephen Minister. Linda appreciates meeting the clients and hearing about their situations, and enjoys taking on the challenge of providing information and referrals. She finds it extremely rewarding to give financial assistance to a client who is trying so hard to provide for their family and become self-sufficient.

Volume 2 Number 2

MAY 2011

The mission of M I Lewis Social Service Center is to render aid to individuals with emergency needs, to make referrals to other agencies for additional support and to encourage its clients toward self sufficiency.

To Donors, Volunteers and Friends,

As we have continued to serve those in need of our services, 2011 has been very busy, and we are asking for your support to assist us in providing for those in need in our community. As a result of lower Government program funding, reduced program grants, and lower total cash donations from individuals, groups, and churches, we find ourselves running behind budget for cash contributions.

We are very appreciative for how each of you have supported M. I. Lewis in the past, and we ask for your continued support. If you have not given this year, please consider a donation. If you have already given, Thank You and please consider an additional amount. We ask that you tell our story of serving those in need in our communities to your friends and co- workers and encourage them to become supporters of our mission.

On behalf of the Board and the clients we serve, we again say Thank You and we look forward to continuing to make a difference in the lives of many around us.

Sincerely,
Mitchell Dale
Board President

Congratulations to Executive Director Betty Pena who United Way presented the Agency Ace Award recently in recognition of an individual from an United Way Agency for her valuable support of the United Way Galveston County Mainland.
